

COMMUNITY GARDEN PROJECT

Varndean School needs knowledge and skills to help turn our new garden classroom into a community vegetable plot and haven for wildlife. As part of the food course our students need to learn about food preparation from garden fork to kitchen plate.

**Green Fingers
Needed**

Skills exchange

We would like to invite the older generation to share their wisdom and knowledge of horticulture with our young volunteers to help us form the next generation of gardeners, in a weekly club.

In return our students would like to exchange their expertise in IT; email, the web, social networking and the world of apps with you.

Our canteen will offer complimentary lunch and refreshments for volunteers.

Transport: Minibus pick-up is available if booked in advance.

Bus routes: 26 & 46 stop here every 10 minutes.

Car parking is available on local streets.

Where: Varndean School Balfour Road Brighton BN1 6NP

When: Tuesday lunchtimes, weekly in term time 12:45-2pm

Contact: Email ecoclub@varndean.co.uk or telephone 01273 561281
