

# Spring seedling swap

Sunday  
**18 May**

11am–2pm

Preston Park, Brighton.  
By the Harvest vegetable garden,  
behind the Rotunda Café

Come and swap  
or buy young plants for  
your garden! Have you got  
some spare seedlings you'd  
like to swap for some new and  
different varieties? Or perhaps  
you had the best intentions  
to sow some seeds but just  
didn't get around to it?

Join us for  
the swap, plus  
family-friendly  
activities by our  
vegetable garden  
in Preston Park.
